

**SOUTHEASTERN SURGICAL CONGRESS**  
**2011 Annual Scientific Meeting and Postgraduate Courses**

Please use this form to create your own record of CME hours earned for this meeting. Notice that each activity has a maximum amount of credit available, and it is up to you to declare the number of hours you actually participated in these Category I activities. You may claim credit in quarter hour increments. When you have completely filled out the form, please mail or fax the bottom copy to the office of the Southeastern Surgical Congress for official records and so that the Congress will be able to verify your CME credits should an audit be performed of your records.

Most organizations and state licensing boards accept for CME those programs that qualify for credit under the American Medical Association's Physician Recognition Award under the ACCME's accrediting program. To the best of our knowledge these organizations and boards will accept this certificate from the Southeastern Surgical Congress.

We encourage you to study CME regulations that affect you and write the Southeastern Surgical Congress for verification of attendance only when absolutely necessary. This form is your certificate of attendance; no other will be issued or mailed.
